Registration:
Complete registration must be turned in at Round Table on April 10, 2014, beginning at 6:00. Registration will be handled through your Pack. Cubmasters or the designated Day Camp Coordinator will need to distribute and collect all registration forms and checks (payable to your Pack) . This will give you time to complete your Pack's registration. Complete registration includes the "Pack Registration Form" (including all scout and volunteer information), individual registration forms, ***AND HEALTH FORMS FOR YOUTH AND ADULTS***. **One check should be written from your Pack to Mecklenburg County BSA for your entire Pack's Day Camp registration.** Packs and individual families may NOT register at the scout office. Doing so will result with your Pack going on the waiting list.

Adult Leadership:
Proper den size is important to the success of a quality Day Camp. Our goal is 10 scouts per den. ***Each Pack is required to provide one adult for every four (4) scouts registered for the entire week***. Ideally, we would like the volunteers to participate for the full five days. Recognizing this may not be possible for everyone, it does not have to be the same adults each day. The leaders may rotate the assignment. Adults volunteering for the full week will be eligible to have **1** free child care at the Me-Too Camp.
