

APACHE FALL CAMPOREE: COOK YOUR BUNS OFF! OCTOBER 24-26, 2014

Planning has begun for the Apache Fall Camporee, and **we need your help!**

Currently we are focused on providing a Camporee experience where Scouts will have the ability to demonstrate the skills required to earn the Cooking Merit Badge.

BUT WAIT...THERE'S MORE!

In order to allow Scouts to have the richest experience possible, we're also planning to create some Troop meeting planning guides focused on preparing for the Camporee and earning the Cooking Merit Badge, including setting up camp kitchens, first aid around the stove and campfire, menu planning and food safety.

CALL RIGHT NOW!!!

Actually, call next Thursday, or the Thursday after that, or the Thursday **after after THAT!**

The Camporee planning committee will host a conference call on Thursdays from Noon – 1 PM to discuss the various aspects of the Camporee. We're currently looking to fill the following positions:

Camp Quartermaster

Publicity Chair

Public Safety Officer

CPC or Johnson & Wales Coordinator

Night Activity Coordinator

Paperwork Guru

Program Experience Chair

If you'd like to have input on what happens at the Camporee, this is your chance!
