Cub Scout Meetings – Where Do We Go?

If your Charter Org is closed, you can still meet outside. Now is a great time to keep the outing in Scouting. Meet at public parks – Town or County parks are open. If you can't have traditional Den Meetings, meet as a Pack and let the Scouts learn Scout skills – some may be advanced or repeats, but get them outside and have them bring a friend!!

Recruitment

Please consider the high value and low cost of word-of-mouth advertising for Scouting. Scouting families have enjoyed an increasing number of outdoor activities at our camps and through den, pack, patrol, troop, crew, district, and council programs. We have new stories to tell of our good times. Spreading the word to friends and neighbors at the beach or pool or backyard parties can open doors to opportunities for more youth and adults to join Scouting during Fall Round-up.

If ever a fleeting doubt on the value of Scouting walks the aisle of your train of thoughts, please watch the video posted at <https://blog.scoutingmagazine.org/2021/06/03/camp-staffer-with-autism-shares-how-to-help-others-thrive-at-camp/>

Exploring (for young men and women 10 to 20 years old)

Spotlight on...

“Build It! Exploring Club where middle school students explore careers through hands-on activities. We are grateful for our partnership with *ABC Carolinas Chapter* and *She Built This City!* Just one of our many programs offered.

WHY EXPLORING?

Exploring provides exciting activities and mentorship for youth looking to discover their future. Engaging with career professionals, middle and high school students gain unique, real-life opportunities to experience varied career choices aiding in a more informed decision about future careers.

Exploring Career Interest Survey

Below is the 2021 Career Exploring survey link to share with 8th through 12th grade students. By completing this survey, students will receive an invite from us to attend open house events if there is a career interest match.
