## Hornets Nest District – (updated as of – 09/01/2020) –

### Eagle Project Proposal Review Process

Important changes to the Eagle Project review process:

The Hornets Nest District is moving to a form request rather than an email request to request an Eagle Project Review.

This form is to be used by Life Scouts of the Hornets Nest District to request a review of their Eagle project proposal. Once the request is received, a reviewer will be assigned. The reviewer will contact the Life Scout directly using the email provided in the form. The Parent email and Unit Leader email will be :cc'd on the email from the reviewer back to the Scout.

Items to double check...

1. Ensure you have **ALL** your signatures for your proposal. Due to the pandemic, email approvals are acceptable if a written signature is not attainable.
2. Scan in your Eagle project proposal to a PDF. Your reviewer will ask you to email the PDF to him/her. Be Prepared!

**ANY REQUESTS THAT ARE EMAILED DIRECTLY TO  
[hornetsnest.advancement@gmail.com](mailto:hornetsnest.advancement@gmail.com)**

**WILL STILL BE MONITORED AND ACCEPTED. HOWEVER, THE LIFE SCOUT WILL  
ALSO BE ASKED TO COMPLETE REQUEST FORM IN A FOLLOW-UP EMAIL.**

For general questions about the form or the Hornets Nest Eagle project review process, please send your email question(s) to [hornetsnest.advancement@gmail.com](mailto:hornetsnest.advancement@gmail.com).

As a reminder, please continue to follow recommended YPT policies with electronic communications.
