

1. Welcome & Staff Introductions
2. Rule number 1 – LISTEN!
3. Describe the tower or COPE elements available today.
4. Line up behind the poles where you would like to climb, rappel or zip but...
5. Stay outside of the eight poles until a staff member invites you inside the poles.
6. Adults taking pictures inside the eight poles – wear a helmet & stay off the rock garden.
7. Bouldering Wall is open (not helmet or harness required). Stay off the low rappel unless in use.
8. Do Your Best – We don't care how high, how fast or number of climbs. Set your own goals.
9. BSA issued harnesses – demonstrate how to put on a harness then get checked by a staff member.
10. Staff will put a helmet on you.
11. Scouts, any questions? Adults, any questions?
12. Dress for climbing.
 - Take off hats, day bags, anything loose or dangling
 - Pull back hair.
 - Tie/Velcro shoes.
 - Tuck in shirts.
13. Once dressed to climb, get a harness, put it on, get checked by a staff member and let's go climb!

MCC COPE & Climbing Daily Safety Briefing Talking Points - MSR

v1

1. Welcome & Staff Introductions
2. Rule number 1 – LISTEN!
3. Describe the tower or COPE elements available today.
4. Line up behind the poles to climb; wait on the stairs to rappel or zip but...
5. Stay outside of the guy wires with yellow guards unless you are wearing a helmet.
6. Adults taking pictures – wear a helmet & stay off the rock garden.
7. Do Your Best – We don't care how high, how fast or number of climbs. Set your own goals.
8. BSA issued harnesses – demonstrate how to put on a harness then get checked by a staff member.
9. Staff will put a helmet on you.
10. Scouts, any questions? Adults, any questions?
11. Dress for climbing.
 - Take off hats, day bags, anything loose or dangling.
 - Pull back hair.
 - Tie/Velcro shoes.
 - Tuck in shirts.
12. Once dressed to climb, get a harness, put it on, get checked by a staff member and let's go climb!
